**Unwrap My Heart** Alex Falcone,Ezra Fox,2016-11-15 Sofia is just a normal high school girl, worried about getting her homework done and looking cool in the lunchroom, when HE shows up: a devastatingly handsome new kid, mysteriously covered in decaying bandages and staring at her from the empty holes where his eyes should be. She thinks he's just a hipster, but is there more to this handsome stranger than meets the eye? Yes. He's a mummy. We're not really making a secret about this. The twist is he's a mummy. It's a book about a girl who falls in love with a mummy. We've read young adult books about teenage girls unknowingly falling in love with vampires, werewolves, angels, demons, fairies, mermen, warlocks, dreamwalkers, and trolls. Seriously, there was one about trolls. It's time for mummies, dammit. It's time for mummies.

**Mom & Me & Mom** Maya Angelou,2013-04-02 NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with

Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence
