**The Pregnant Male as Myth and Metaphor in Classical Greek Literature** David D. Leitaó, 2012-04-30 This book traces the image of the pregnant male as it evolves in classical Greek literature. Originating as a representation of paternity and, by extension, authorship of creative works, the image later comes to function also as a means to explore the boundary

between the sexes.

**The Last Duel** Eric Jager, 2005-09-13 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • “A taut page-turner with all the hallmarks of a good historical thriller.”—Orlando Sentinel The gripping true story of the duel to end all duels in medieval France as a resolute knight defends his wife’s honor against the man she accuses of a heinous crime In the midst of the devastating Hundred Years’ War between France and England, Jean de Carrouges, a Norman knight fresh from combat in Scotland, returns home to yet another deadly threat. His wife, Marguerite, has accused squire Jacques Le Gris of rape. A deadlocked court decrees a trial by combat between the two men that will also leave Marguerite’s fate in the balance. For if her husband loses the duel, she will be put to death as a false accuser. While enemy troops pillage the land, and rebellion and plague threaten the lives of all, Carrouges and Le Gris meet in full armor on a walled field in Paris. What follows is the final duel ever authorized by the Parlement of Paris, a fierce fight with lance, sword, and dagger before a massive crowd that includes the teenage King Charles VI, during which both combatants are wounded—but only one fatally. Based on extensive research in Normandy and Paris, *The Last Duel* brings to life a colorful, turbulent age and three unforgettable characters caught in a fatal triangle of crime, scandal, and revenge. *The Last Duel* is at once a moving human drama, a captivating true crime story, and an engrossing work of historical intrigue with themes that echo powerfully centuries later.

*Smith and Tanagho's General Urology, 19th Edition* Jack W. McAninch, Tom F. Lue, 2020-03-27 The definitive guide to understanding, diagnosing, and treating urologic disorders - now in full color for the first time! *The Life of Dad* Anna Machin, 2018-06-14 THE STORY OF FATHERHOOD AND WHAT IT MEANS TO BE A FATHER TODAY, BASED ON A DECADE-LONG STUDY OF NEW AND EXPECTANT FATHERS. Becoming a father is one of most common but also one of the most profoundly life-altering experiences a man can have. It is up there with puberty, falling in love and experiencing your first loss. Fifty years ago a father’s role was assumed to be clear: he went to work; he provided the pay cheque; and he acted as a disciplinarian when he got home. But today a father’s role is much more fluid and complex.

Dr Anna Machin has spent the past decade working with new and expectant fathers, studying the experiences of fathers and the questions fathers have: 'Will fatherhood change me?', 'How do other men fulfil the role?', 'How can I help my child grow into a healthy, happy adult?'. In *The Life of Dad*, Dr Machin draws on her research and the latest findings in genetics, neuroscience and psychology to tell the story of fatherhood. She will show the extraordinary physiological changes a man undergoes when he becomes a father, investigate how a man's genes can influence what sort of father he will be, and will show how a dad makes a unique contribution to his child's life, helping to foster independence of mind and spirit. Throughout the book, readers will encounter the voices of real dads, expectant and established, as well as fascinating insights into fatherhood from across the globe. *The Life of Dad* throws out the old stereotypes of fatherhood in an entertaining and informative journey through the role of dad - helping you decide what sort of father you want to be. 'A tour-de-force exploration of the forgotten half of the parenthood business. Essential reading for every expectant dad ... and mum.' - Robin Dunbar, professor of evolutionary psychology, University of Oxford

**Book Lovers** Emily Henry, 2022-05-03 "One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

**Making Babies** Jill Blakeway, Sami S. David, 2009-08-12 *Making Babies* offers a proven 3-month program designed to help any woman get pregnant. Fertility medicine today is all about aggressive surgical, chemical, and technological intervention, but Dr. David and Blakeway know a better way. Starting by identifying fertility types, they cover everything from recognizing the causes of fertility problems to making lifestyle choices that enhance fertility to trying surprising strategies such as taking cough medicine, decreasing doses of fertility drugs, or getting acupuncture along with IVF. *Making*

Babies is a must-have for every woman trying to conceive, whether naturally or through medical intervention. Dr. David and Blakeway are revolutionizing the fertility field, one baby at a time.

*A Guy's Guide To Pregnancy* Frank Mungeam,2007-04-13 There are hundreds of pregnancy guides on the market. but few of them focus on men. This title prepares men for the changes ahead with short informative chapters that keep Information digestible and a lighthearted tone that makes it fun. Each chapter includes anecdotes from real-life guys who survived their partner's pregnancy.

*The Impatient Woman's Guide to Getting Pregnant* Jean M. Twenge,2012-04-17 Comforting and intimate, this “girlfriend” guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. The Impatient Woman’s Guide to Getting Pregnant is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend who’s been through it all. And in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging— that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you’ve been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you’re ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman’s Guide to Getting Pregnant* is the bedside companion to help you through it.

*Molecular Biology of the Cell* ,2002

*Labor of Love* Thomas Beatie,2009-08-25 A woman transitioned to a man with her ovaries and birth canal intact. As a result, he was able to be pregnant as a man.

*The World According to Garp* John Irving,1978 T.S. Garp, a man with high ambitions for an artistic career and with obsessive devotion to his wife and children, and Jenny Fields, his famous feminist mother, find their lives surrounded by an assortment of people including teachers, whores, and radicals

*The Pregnancy Guide for Men* John Nero,2021-07-09 With these simple tricks and tactics, you'll get through her

pregnancy successfully... and master every step of the way. Are you finding it hard to tell whether you're excited or just scared pantsless? Of course, you're excited, but still, what the heck are you supposed to do now? Relax, and take a deep breath -- all dads have been in your same shoes once before. Finding out that you're going to be a dad is one of the most rewarding moments in life, but yes, it certainly comes with a lot of questions and concerns. But the good news is that you're not alone! And the even better news is that all the information you're ever going to need already exists. The crazy moments you could never see coming... well, now you can prepare for them. The emotional roller coaster your significant other is about to take you on -- we're going to put you in the driver's seat. Those 10 million thoughts bouncing around in your head -- it's time to put some structure to it all and relax into a well-organized plan of attack. This doesn't have to be a stressful and confusing time in your life. In fact, it shouldn't be. With these powerful insights and knowledge from fathers around the world, you'll soon find yourself feeling prepared and ready for your new best friend to enter this beautiful world. Set that confusion aside and step into a position of personal empowerment, knowing that no matter what comes your way, you're going to be ready for it. In *The Pregnancy Guide For Men*, you'll discover: How to navigate everything that is expected of you -- without feeling overwhelmed and like you're losing it The biggest challenges you're going to face during pregnancy -- and simple (but effective) ways to overcome them Month by month guidance -- from the pregnancy test to when she's in that hospital bed, ensure that you never miss a beat Why you need to have a birth plan -- and how you can lead the way into setting one up successfully A deeper look into how your significant other will feel throughout each stage of the process so you can help her through her emotional storms The pros and cons of finding out your baby's sex beforehand -- and how either stance will bring your family a ton of joy What you need to do before labor is induced that'll make everyone's life so much easier ... and much more! Whether her pregnancy caught you by surprise or you've been anticipating it, now is the time for you to step it up. With this awareness and step-by-step guidance, you're going to find yourself prepared and ready for whatever parenthood throws your way. Don't let your doubts and fears stand in the way -- you've got this! If you're ready to set your child up for the most successful life possible, then scroll up and click the Add to Cart button right now.

[My Boys Can Swim!](#) Ian Davis, 1999-09-22 Finally—A Pregnancy Book That Won't Put Men to Sleep *My Boys Can Swim!* tells real men everything they really want to know about pregnancy, such as: How much is it going to cost? Why does your wife primp before seeing her doctor when she hasn't put a stitch of make-up on for you in months? And, most important, what's it going to do to your sex life? This rollicking, laugh-out-loud book is for expectant dads in search of bottom-line pregnancy information, without all that boring touchy-feely stuff you find in those books written for women. Inside you'll discover helpful—and hilarious—information and insights on such topics as: *The Maternity Wardrobe*: A key part of the maternity wardrobe is maternity underwear—parachute-like undies big enough to fit an NFL defensive lineman. *Baby Names*: Don't give your kids mockable names like Thaddeus, which is Greek for 'I'm a dork and should be beaten up.' *The Birth*: No

one told me it's normal that babies' heads can be misshapen at birth. I was convinced that my wife gave birth to Veldar, the conehead.

*Risking the Future* Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel on Adolescent Pregnancy and Childbearing, National Research Council, 1987-02-01 More than 1 million teenage girls in the United States become pregnant each year; nearly half give birth. Why do these young people, who are hardly more than children themselves, become parents? This volume reviews in detail the trends in and consequences of teenage sexual behavior and offers thoughtful insights on the issues of sexual initiation, contraception, pregnancy, abortion, adoption, and the well-being of adolescent families. It provides a systematic assessment of the impact of various programmatic approaches, both preventive and ameliorative, in light of the growing scientific understanding of the topic.

**The Kama Sutra of Vatsyayana** Mallanaga Vatsyayana, 2021-04-15 The Kama Sutra of Vatsyayana by Vatsyayana The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vātsyāyana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. Kāma which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and sūtra literally means a thread or line that holds things together, and more metaphorically refers to an aphorism or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, the Kama Sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life, and other aspects pertaining to pleasure-oriented faculties of human life. The Kama Sutra does reveal that Vatsyayana lived the life of a religious student, likely in Benares, and spent his time engaged in the contemplation of the highest Deity. Scholars believe that the tone Vatsyayana takes towards youth in the Kama Sutra suggests that he likely spent many years studying religion before beginning his life's work compiling the wisdom of the sages. Indeed, Vatsyayana was less of a groundbreaking philosopher and apparently more of a diligent academician. Besides transcribing the Kama Sutra more than 300 years after the Shastras had already been passed down, he also transcribed the Nyaya Sutras, an ancient Indian text of philosophy that was composed by the buddha Gotama in the 2nd century B.C. Whereas the Kama Sutra tackles kama (or sensual pleasures), the Nyaya Sutra delineates paths for achieving moksha, or spiritual liberation from the cycle of birth and death.

Methadone and Pregnancy Student Association for the Study of Hallucinogens, 1974

**Exploring the Biological Contributions to Human Health** Institute of Medicine, Board on Health Sciences Policy, Committee on Understanding the Biology of Sex and Gender Differences, 2001-07-02 It's obvious why only men develop prostate cancer and why only women get ovarian cancer. But it is not obvious why women are more likely to recover language ability after a stroke than men or why women are more apt to develop autoimmune diseases such as lupus. Sex

differences in health throughout the lifespan have been documented. Exploring the Biological Contributions to Human Health begins to snap the pieces of the puzzle into place so that this knowledge can be used to improve health for both sexes. From behavior and cognition to metabolism and response to chemicals and infectious organisms, this book explores the health impact of sex (being male or female, according to reproductive organs and chromosomes) and gender (one's sense of self as male or female in society). Exploring the Biological Contributions to Human Health discusses basic biochemical differences in the cells of males and females and health variability between the sexes from conception throughout life. The book identifies key research needs and opportunities and addresses barriers to research. Exploring the Biological Contributions to Human Health will be important to health policy makers, basic, applied, and clinical researchers, educators, providers, and journalists-while being very accessible to interested lay readers.

**Fair Play** Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

**The Children of Men** P. D. James, 2012-01-11 The year is 2021. No child has been born for twenty-five years. The human race faces extinction. Under the despotic rule of Xan Lyppiat, the Warden of England, the old are despairing and the young cruel. Theo Faren, a cousin of the Warden, lives a solitary life in this ominous atmosphere. That is, until a chance encounter with a young woman leads him into contact with a group of dissenters. Suddenly his life is changed irrevocably as he faces agonising choices which could affect the future of mankind. NOW A MAJOR MOTION PICTURE

**Getting Pregnant For Dummies** Lisa A. Rinehart, John S. Rinehart, Sharon Perkins, Jackie Meyers-Thompson, 2020-01-30 The hands-on guide that addresses the common barriers to achieving pregnancy and offers tips to maximize your potential

for fertility For millions of people, starting a family is a lifelong dream. However, many face challenges in welcoming children into the world. According to the Centers for Disease Control and Prevention (CDC), approximately 12% of women in the US from ages 15 to 44 have difficulty getting pregnant or staying pregnant. A variety of factors exist that can contribute to infertility, such as ovulation disorders, uterine abnormalities, congenital defects, and a host of environmental and lifestyle considerations. But infertility is not just a female problem. For approximately 35% of couples with infertility, a male factor is identified along with a female factor, while in 8% of couples, a male factor is the only identifiable cause. Fortunately, there are many treatment options that offer hope. *Getting Pregnant For Dummies* discusses the difficulties related to infertility and offers up-to-date advice on the current methods and treatments to assist in conception. This easy-to-read guide will help you understand why infertility occurs, its contributing risk factors, and the steps to take to increase the chances of giving birth. From in vitro fertilization (IVF) to third party reproduction (donor sperm or eggs and gestational surrogacy) to lifestyle changes to understanding genetic information to insurance, legal and medication considerations, this book covers all the information you need to navigate your way to the best possible results. Packed with the latest information and new developments in medical technology, this book: Helps readers find real-life solutions to getting pregnant Covers the latest information on treatments for infertility for both women and men Offers advice on choosing the option best suited for an individual's unique situation Explains the different types and possible causes of infertility issues Provides insight to genetic testing information Provides suggestions for lifestyle changes that help prepare for conception *Getting Pregnant For Dummies* is an indispensable guide for every woman trying to conceive and for men experiencing infertility issues.

**Bloodchild and Other Stories** Octavia E. Butler, 2011-01-04 A perfect introduction for new readers and a must-have for avid fans, this New York Times Notable Book includes *Bloodchild*, winner of both the Hugo and the Nebula awards and *Speech Sounds*, winner of the Hugo Award. Appearing in print for the first time, *Amnesty* is a story of a woman named Noah who works to negotiate the tense and co-dependent relationship between humans and a species of invaders. Also new to this collection is *The Book of Martha* which asks: What would you do if God granted you the ability—and responsibility—to save humanity from itself? Like all of Octavia Butler's best writing, these works of the imagination are parables of the contemporary world. She proves constant in her vigil, an unblinking pessimist hoping to be proven wrong, and one of contemporary literature's strongest voices.

**Do I Look Like a Daddy to You?** Quinton Skinner, 2011-08-24 It takes a baby to turn a guy into a man. Hard-won lessons of a first-time father — the good, the bad, and the big-time changes. When I used to see a father holding a baby, I thought he was either a poor sap or else an übermensch possessed with talents and levels of forbearance that I would never attain. Now I live on the other side. I'm someone's daddy, and it's the best thing that ever happened to me. From pregnancy and childbirth through the whirlwind first year of fatherhood, Quinton Skinner shares the adventure of a lifetime: becoming a

daddy — and loving it. Nobody said it would be easy. But if imminent fatherhood made Quinton sit up and take notice, baby Natasha's arrival was the making of the man. Here, with the infinite wisdom of hindsight, is his survival guide for first-time fathers everywhere, filled with hilarious anecdotes and practical advice on how to negotiate that critical first year of your baby's wonderful life. After a year of on-the-job training, Skinner explores: • Dealing with the pride — and panic — of your wife's pregnancy (see page 7) • To be or not to be (in birthing class) (see page 57) • The moment of truth in the delivery room (see page 77) • Finding romance after parenthood (see page 102) • Being the perfect dad while spacing out in front of the TV (see page 112) • The joys of sleep deprivation (see page 192) • Becoming a baby chef (see page 177) • Avoiding the poorhouse (see page 39)

**Counselling for Maternal and Newborn Health Care** World Health Organization, 2010 The main aim of this practical Handbook is to strengthen counselling and communication skills of skilled attendants (SAs) and other health providers, helping them to effectively discuss with women, families and communities the key issues surrounding pregnancy, childbirth, postpartum, postnatal and post-abortion care. Counselling for Maternal and Newborn Health Care is divided into three main sections. Part 1 is an introduction which describes the aims and objectives and the general layout of the Handbook. Part 2 describes the counselling process and outlines the six key steps to effective counselling. It explores the counselling context and factors that influence this context including the socio-economic, gender, and cultural environment. A series of guiding principles is introduced and specific counselling skills are outlined. Part 3 focuses on different maternal and newborn health topics, including general care in the home during pregnancy; birth and emergency planning; danger signs in pregnancy; post-abortion care; support during labor; postnatal care of the mother and newborn; family planning counselling; breastfeeding; women with HIV/AIDS; death and bereavement; women and violence; linking with the community. Each Session contains specific aims and objectives, clearly outlining the skills that will be developed and corresponding learning outcomes. Practical activities have been designed to encourage reflection, provoke discussions, build skills and ensure the local relevance of information. There is a review at the end of each session to ensure the SAs have understood the key points before they progress to subsequent sessions.

**Where's the Mother?** Trevor MacDonald, 2016-04 To most people, pregnancy automatically means motherhood. Not so for Trevor, who was pregnant, gave birth, and breastfed his children - all while being an out transgender man. His stories convey the intimate and sometimes surprising realities of the transgender parenting experience.

*The Male Biological Clock* Harry Fisch, 2013-09-24 Dr. Harry Fisch, a leading expert in male infertility, shares groundbreaking information about the bodily and behavioral changes that happen over the course of a man's lifetime. Busting the myth that men don't have biological clocks, Dr. Henry Fisch emphasizes that even young men can have testosterone levels as low as those of much older men, leading to infertility, sexual problems, and other serious health issues.

Every couple should know all the risks and issues facing men, because these affect two of the most important things in their life: their ability to have children and their capacity to have good sex. The Male Biological Clock is a must read for every man and every couple who is struggling to have children or improve their sex life. Many of Dr. Harry Fisch's findings are startling—beginning with the fact that infertility is not mostly a women's problem—and he offers many helpful suggestions for how to deal with declining testosterone, changing sexual needs, and the fertility industry. The Male Biological Clock tells you what you need to know and how you can achieve optimal fertility and sexuality.

**Men and Miscarriage** Aaron Gouveia, MJ Gouveia, 2021-07-06 From an esteemed author known for battling gender norms and bringing down man up culture, comes this essential guide for men and those who love them. Miscarriage, infertility, and abortion are generally considered women's issues—and while they are far from uncommon in our society, open conversations surrounding those topics are exceedingly rare. They're seen as taboo, even distasteful. And that's just for women. When it comes to men and how they are impacted by these issues, it's almost complete radio silence. It's not that men don't think about these things or aren't affected—after all, they make up half of most couples experiencing these issues—it's that toxic masculinity and gender stereotypes in our society tell men that suffering in silence equals strength and expressing emotions is weakness. It's men not knowing how to feel, how to express those feelings, or if they're even allowed to feel this trauma beyond supporting their partner. In *Men and Miscarriage*, husband and wife Aaron and MJ Gouveia ask men (and others) these questions directly. Using their own personal experiences enduring four miscarriages and a medically-necessary abortion combined with interviews of people from all different backgrounds and walks of life, the couple sheds light on how these topics influence men, women, their relationships, their mental health, and examines the shame and stigma too often associated with pregnancies that don't go as planned.

**The Lords of Discipline** Pat Conroy, 2022-12-20 "The Lords of Discipline is, simply, an American classic." -- Larry King The Lords of Discipline is a novel about coming of age, brotherhood, betrayal, and a man's forging of his own personal code of honor. Will McLean, a senior on the cadets' honor court, is an outsider by nature: a basketball star at a school that prizes military prowess above athletics, a military man in training who dares to question the escalating Vietnam war. And yet his greatest struggle will be with the corrupt institution of which he is a part. Rich in humor and suspense, abounding in a rare honesty and generosity of feeling, this novel established Pat Conroy as one of the strongest fictional voices in a generation. "A work of enormous power, passion, humor, and wisdom." - Washington Star "God preserve Pat Conroy." - Boston Globe

**Conceiving Masculinity** Liberty Walther Barnes, 2014-04-25 In *Conceiving Masculinity*, Liberty Walther Barnes puts the world of male infertility under the microscope to examine how culturally pervasive notions of gender shape our understanding of disease, and how disease impacts our personal ideas about gender. Taking readers inside male infertility clinics, and interviewing doctors and couples dealing with male infertility, Barnes provides a rich account of the social

aspects of the confusing and frustrating diagnosis of infertility. She explains why men resist a stigmatizing label like infertile, and how men with poor fertility redefine for themselves what it means to be manly and masculine in a society that prizes male virility. *Conceiving Masculinity* also details how and why men embrace medical technologies and treatment for infertility. Broaching a socially taboo topic, Barnes emphasizes that infertility is not just a women's issue. She shows how gender and disease are socially constructed within social institutions and by individuals.

**My Life on the Road** Gloria Steinem, 2015-10-27 NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. *My Life on the Road* is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of *Ms.* magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for *My Life on the Road* “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [*My Life on the Road*] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of *My Life* is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in *Life on the Road* offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as

itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights."—The New York Times "Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be."—The Boston Globe

Challenging Nature Lee M. Silver, 2007-08-07 Stem cell research, genetically modified crops, animals developed with personalized human organs for transplantation, and other previously inconceivable biotech applications could increase the quality of all human lives and maximize the health of the biosphere. But ironically, as the science becomes more precise and transparent, it also becomes more contentious. In *Challenging Nature*, Silver argues that although they seem to have little in common, Christian fundamentalists opposed to embryo research and New Age organic food devotees are both driven by a deeply rooted fear that biotechnology—in some guise—challenges the sovereignty of a higher or deeper transcendent authority. In the short term, Silver writes, Eastern spiritual traditions will give Asian countries a research advantage. But over the millennia, human nature may have the potential to remake Mother Nature in the image of an idealized world.

**The Shy Guy's Guide to Dating** Barry Dutter, 2011-04-01 The authoritative guide that will take shy guys everywhere—from the first date to home plate. Hey baby, what's your sign? Come here often? These lines may work in the movies, but not in real life, and not for the millions of guys too shy to risk their dignity on such flimsy pickup lines. Barry Dutter knows, he used to be a shy guy himself, sitting at home night after night watching television because asking a woman for a date was simply too scary. Not anymore. He's learned dozens of tricks to help shy guys ease into the swing of dating while avoiding humiliating rejections and romantic disasters. Keeping a shy guy's tender ego in mind, he tells guys where to meet women, which ones to approach and which to avoid. Readers will learn what to do with them, and how to act from the first date through commitment time. Filled with hilarious lessons from the pop culture we grew up in, this witty, commonsense guide is a must for everyone who's ever been afraid to try—which means everyone.

Count Down Shanna H. Swan, Stacey Colino, 2021-02-23 In the tradition of *Silent Spring* and *The Sixth Extinction*, an urgent, meticulously researched, and groundbreaking book about the ways in which chemicals in the modern environment are changing—and endangering—human sexuality and fertility on the grandest scale, from renowned epidemiologist Shanna Swan. In 2017, author Shanna Swan and her team of researchers completed a major study. They found that over the past four decades, sperm levels among men in Western countries have dropped by more than 50 percent. They came to this conclusion after examining 185 studies involving close to 45,000 healthy men. The result sent shockwaves around the globe—but the story didn't end there. It turns out our sexual development is changing in broader ways, for both men and women and even other species, and that the modern world is on pace to become an infertile one. How and why could this happen? What is hijacking our fertility and our health? *Count Down* unpacks these questions, revealing what Swan and other

researchers have learned about how both lifestyle and chemical exposures are affecting our fertility, sexual development—potentially including the increase in gender fluidity—and general health as a species. Engagingly explaining the science and repercussions of these worldwide threats and providing simple and practical guidelines for effectively avoiding chemical goods (from water bottles to shaving cream) both as individuals and societies, *Count Down* is at once an urgent wake-up call, an illuminating read, and a vital tool for the protection of our future.

*Pachinko* (National Book Award Finalist) Min Jin Lee, 2017-02-07 A New York Times Top Ten Book of the Year and National Book Award finalist, *Pachinko* is an extraordinary epic of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE BOOK OF 2017 \* A USA TODAY TOP TEN OF 2017 \* JULY PICK FOR THE PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB NOW READ THIS \* FINALIST FOR THE 2018 DAYTON LITERARY PEACE PRIZE \* WINNER OF THE MEDICI BOOK CLUB PRIZE Roxane Gay's Favorite Book of 2017, Washington Post NEW YORK TIMES BESTSELLER \* #1 BOSTON GLOBE BESTSELLER \* USA TODAY BESTSELLER \* WALL STREET JOURNAL BESTSELLER \* WASHINGTON POST BESTSELLER There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones. In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. \*Includes reading group guide\*

How Men Have Babies Alan Thicke, 2003 There are books written especially from the perspective on how to parent, and how to participate in the birth -- but none on how to be pregnant. Until now. What you hold in your hand is a combination sage advice, expert opinion, and side-splitting truths on the up and downside of pregnancy for men. Alan Thicke, one of America's favorite funny men and father of three, with a little help from father-friends -- including Ray Romano, Wayne Gretzky, and Dave Barry -- has written the ultimate how-to guide for dads-to-be. Alan provides the real information and comic relief necessary to assure that your sense of humor doesn't fall victim to your pregnancy, as he expertly guides you through each step of the nine months. From breasts to birthing class, *How Men Have Babies* is about pregnancy from a man's perspective, intended to get him involved early and fully. Book jacket.

**The Birth Guy's Go-To Guide for New Dads** Brian W. Salmon, Kirsten Brunner, 2019-02-02 A must-have baby shower

gift for expectant dads! In this one-of-a-kind guide, dad, doula, and certified lactation counselor Brian Salmon and perinatal mental health and relationship expert Kirsten Brunner offer practical, modern-day survival tips for expectant dads and birth partners. Gone are the days when fathers would nervously pace the waiting room while their partners gave birth. Dads are participating in childbirth now more than ever before. However, if you're like many men, you may feel unprepared, uncomfortable, or even unwelcome in the birth room. For you, this book offers battle-tested tips to help you get in the game and prepare for one of the most incredible adventures of your life. Based on the author's Rocking Dadschildbirth course, this book will teach you everything you need to know about supporting your partner through birth, breastfeeding, and beyond. In this guide, you'll discover pointers and advice you won't find in any other childbirth or breastfeeding guide, including: A list of items to pack for the hospital that will help mom's labor go more smoothly Stealth communication skills that you can utilize during early labor to support mom and keep her in a positive state of mind How to write a birth plan that the labor and delivery nurses will actually pay attention to What to say and do—and what not to say and do—when mom is in active labor and feeling all the feelings A detailed account of what to expect in the delivery room as a birth partner, and how to navigate the unknown terrains when things don't go as planned How to help mom achieve proper nipple latch when she attempts breastfeeding for the first time Finally, and perhaps most importantly, you'll find tips for maintaining a strong relationship with your partner before, during, and after the birth so that you feel closer than ever when you launch into the wild yet wonderful world of parenthood.

**Clinical Management of Male Infertility** Giorgio Cavallini, Giovanni Beretta, 2014-10-20 This book provides andrologists and other practitioners with reliable, up-to-date information on all aspects of male infertility and is designed to assist in the clinical management of patients. Clear guidance is offered on classification of infertility, sperm analysis interpretation and diagnosis. The full range of types and causes of male infertility are then discussed in depth. Particular attention is devoted to poorly understood conditions such as unexplained couple infertility and idiopathic male infertility, but the roles of diverse disorders, health and lifestyle factors and environmental pollution are also fully explored. Research considered stimulating for the reader is highlighted, reflecting the fascinating and controversial nature of the field. International treatment guidelines are presented and the role of diet and dietary supplements is discussed in view of their increasing importance. Clinicians will find that the book's straightforward approach ensures that it can be easily and rapidly consulted.

*The Ultimate Guide to Pregnancy for Lesbians* Rachel Pepper, 2008-09-05 The Ultimate Guide to Pregnancy for Lesbians covers everything you need to make the thrilling and challenging journey to motherhood: from choosing a donor to tracking fertility to signing the right papers on the dotted lines. Rachel Pepper's lively, easy-to-read guide is the first place to go for up-to-date information and sage advice on everything from sex in the sixth month to negotiating family roles. Why a second

edition? When the acclaimed first edition appeared, the author's daughter was only a few months old. This new edition takes into account the parenting know-how Pepper has developed over the intervening six years, as well as the evolving legal status of lesbian parents, and the increasing importance of the Internet for information on fertility, sperm banks, and donors. The resource section is greatly expanded, as are the sections on each trimester of pregnancy, on childbirth, and on life with a newborn. And Pepper provides more insight into preconception planning for both single lesbians and couples. An indispensable resource, *The Ultimate Guide to Pregnancy for Lesbians* is now bigger and better.

*Dude, You're Gonna Be a Dad!* John Pfeiffer, 2011-03-18 There are approximately 3,712 ways for a guy to look stupid during pregnancy - this book's here to help you avoid all(most) of them. And here's your first hint: Focus on what you can be doing for her rather than what's happening to her. She's pregnant. She knows that. You know that. And her 152 baby books tell her exactly what she can expect. Your job is to learn what you can do between the stick turning blue and the drive to the delivery room to make the next nine months go as smoothly as possible. That's where John Pfeiffer steps in. Like any good coach, he's been through it. He's dealt with the morning sickness and doctor visits, painting the baby's nursery and packing the overnight bag, choosing a name, hospital, and the color of the car-seat cover. All the while he remained positive and responsive - there with a You're beautiful when necessary - but assertive during the decision-making process (he didn't want to wind up with a kid named Percy). And now it's your turn. She might be having the baby, but you have plenty of responsibilities.

### Decoding **How Can A Guy Get Pregnant**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. ## How Can A Guy Get Pregnant Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now

available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free How Can A Guy Get Pregnant PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly

experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free How Can A Guy Get Pregnant PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of How Can A Guy Get Pregnant free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About How Can A Guy Get Pregnant Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user

reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. How Can A Guy Get Pregnant is one of the best book in our library for free trial. We provide copy of How Can A Guy Get Pregnant in digital format, so the resources that you find are reliable. There are also many Ebooks of related

with How Can A Guy Get Pregnant. Where to download How Can A Guy Get Pregnant online for free? Are you looking for How Can A Guy Get Pregnant PDF? This is definitely going to save you time and cash in something you should think about.
