**Reverend William Woolls Rutledge 1849 to 1921** Troy Anthony Woolls Rutledge,2018-12-15 This edition of the series, 'Rutledges of Australia', continues from 'The Life of James Rutledge, Pioneer in Australian Education'. The next generation of the Rutledges in Australia explores the life of the Reverend William Woolls Rutledge, from 1849 to 1921. Following in his fathers footsteps in the Methodist faith, and the cause for social equality and progression, and to counter the social evils of the day. Carruthers described him as a man of honour, 'devout in his spirit, beautifully submissive in affliction and suffering ... being dead he yet speaketh'.

**Cognitive and Behavioral Abnormalities of Pediatric Diseases** Ruth Nass, MD,Yitzchak Frank, MD,2010-04-12 This book provides a detailed account of intellectual, other neuropsychological and behavioral manifestations of general pediatric diseases. The conditions discussed include the whole range of pediatric diseases - genetic syndromes, other congenital conditions, metabolic, endocrine, gastrointestinal, infectious, immunologic, toxic, trauma, and neoplastic, as well as sensory disabilities including deafness and blindness. Although the book is not intended to discuss cognitive and behavioral manifestations of conditions usually considered to be primary neurological disease, some of those, including cerebral palsy, muscular dystrophy, myotonic dystrophy and epilepsy, are included. Where possible, a translational approach is used, linking the behavioral and cognitive manifestations of these conditions, to the underlying structural, chemical or genetic abnormalities and their effect on the brain, and, in turn, on behavior and cognition. At the same time, included are significant psychosocial factors. Together, those factors have a major effect on patients' performance, including school performance,

and on their families. This book is unique in its extensive coverage of the major pediatric conditions and of the detailed neurological, neuropsychological and behavioral aspects of each condition.

Christine Chaillot is the author of numerous articles and books on the Oriental Churches in the fields of history, theology, and spirituality.
