

# {EBOOK} Priscilla Presley At Elvis Funeral

**Ann-Margret, Todd Gold**

**Elvis and Ginger** Ginger Alden, 2015-08-04 THE NEW YORK TIMES BESTSELLER Elvis Presley's fiancée and last love tells her story and sets the record straight in this deeply personal memoir that reveals what really happened in the final years of the King of Rock n' Roll. Elvis Presley and Graceland were fixtures in Ginger Alden's life; after all, she was born and raised in Memphis, Tennessee. But she had no idea that she would play a part in that enduring legacy. For more than three decades Ginger has held the truth of their relationship close to her heart. Now she shares her unique story... In her own words, Ginger details their whirlwind romance—from first kiss to his stunning proposal of marriage. And for the very first time, she talks about the devastating end of it all and the fifty thousand mourners and reporters who descended on Graceland in 1977, exposing Ginger to the reality of living in the spotlight of a short yet immortal life. Above it all, Ginger rescues Elvis from the hearsay, rumors, and tabloid speculations of his final year by shedding a frank yet personal light on a very public legend. From a unique and intimate perspective, she reveals the man—complicated, romantic, fallible, and human—behind the myth, a superstar worshipped by millions and loved by Ginger Alden. INCLUDES PHOTOS

**Inside Graceland** Nancy Rooks, Jim Cox, 2005 If you wanted a picture of the life of Elvis Presley, who better to paint it for you than someone who worked as his trusted cook and maid at Graceland? Someone whose daily tasks centered around keeping the 'King of Rock & Roll' happy, whose every move was designed to please the greatest music legend the entertainment world has ever known. Here is that picture, as painted by Nancy Rooks. Nancy worked for Elvis from 1967 until his untimely death in 1977. Read her stories of what those years were like, of what the routines were at Graceland, and what it meant to be close to Elvis and his family on a daily basis. Read the sad account of her rushing upstairs, after a frantic call from Ginger Alden, and finding him on the bathroom floor. This book presents that picture, one that every Elvis fan will want to see.

*Remember Elvis* Joe Esposito, Lauren McMullen, Darwin Lamm, 2006-02-01 This groundbreaking book is brimming with rare interviews, insights, and experiences. At the heart of this landmark project are more than 200 interviews with many of Presley's most intimate associates, as well as some of the biggest names in the film and recording industries.

Elvis and Gladys Elaine Dundy, 2022-11-15 Who on the planet doesn't know that Elvis Presley gave electrifying performances and enthralled millions? Who doesn't know that he was the King of Rock 'n' Roll? But who knows that the King

himself lived in the thrall of one dominant person? This was Gladys Smith Presley, his protective, indulgent, beloved mother. *Elvis and Gladys*, one of the best researched and most acclaimed books on Elvis's early life, reconstructs the extraordinary role Gladys played in her son's formative years. Uncovering facts not seen by other biographers, *Elvis and Gladys* reconstructs for the first time the history of the mother and son's devoted relationship and reveals new information about Elvis—his Cherokee ancestry, his boyhood obsession with comic books, and his early compulsion to rescue his family from poverty. Coming to life in the compelling narrative is the poignant story of a unique boy and the maternal tie that bound him. It is at once an intimate psychological portrait of a tragic relationship and a mesmerizing tale of the early years of an international idol. “For once, a legend is presented to us by the mind and heart of a literate, careful biographer who cares,” wrote Liz Smith in the *New York Daily News* when *Elvis and Gladys* was originally published in 1985. This is the book, Smith says, “for any Elvis lover who wants to know more about what made Presley the man he was and the mama's boy he became.” The *Boston Globe* called this thoughtful, informative biography of one of popular music's most enduring stars “nothing less than the best Elvis book yet.”

**Elvis and Me** Priscilla Presley, Sandra Harmon, 2023-08-01 The #1 *New York Times* bestselling memoir that reveals the intimate story of Elvis Presley and Priscilla Presley, told by the woman who lived it. *THE INSPIRATION FOR THE MAJOR MOTION PICTURE PRISCILLA*, DIRECTED BY SOFIA COPPOLA Decades after his death, millions of fans continue to worship Elvis the legend. But very few knew him as Elvis the man. Here in her own words, Priscilla Presley tells the story of their love, revealing the details of their first meeting, their marriage, their affairs, their divorce, and the unbreakable bond that has remained long after his tragic death. A tribute to both the man and the legend, *Elvis and Me* gives Elvis fans the world over an unprecedented look at the true life of the King of Rock 'N' Roll and the woman who loved him.

*My Life with Elvis* Becky Yancey, Clifford L. Linedecker, 1977 Elvis Presley's private secretary provides revelations about goings-on at Graceland, the headquarters of the Presley empire, and about the legendary superstar's generosity and relationships with his father, women, and friends.

**Elvis Has Left the Building** Dylan Jones, 2014-08-14 “An interesting look at how 1977 marked the explosion of punk alongside this heartbreaking (though not altogether surprising) loss of a legend” (*USA Today*). In the late 1970s, punk music was setting out to destroy everything Elvis Presley had come to represent. But punk couldn't destroy The King himself—he had already done that, succumbing to his excesses at Graceland on August 16, 1977. Ever since, Elvis has permeated the world in ways that are bizarre and inexplicable: a pop icon while alive, he has become almost a religious icon in death, a modern-day martyr crucified on the wheel of drugs, celebrity culture, junk food, and sex. In *Elvis Has Left the Building*, Dylan Jones takes us back to those heady days around the time of his death and the simultaneous rise of punk. Evoking the hysteria and devotion of The King's numerous disciples and imitators, Jones offers a uniquely insightful commentary on Elvis's life,

times, and outrageous demise. Recounting how the artist single-handedly changed the course of popular music and culture, he also delves deep into the cult of The King and reveals what Elvis's death meant—and still means to us today. “I’m not sure punk would have existed without [Elvis]. In fact I’m not sure a lot of things would have existed without him. Dylan Jones is the right man to ponder such questions.” —Bono “A gripping tale of impossible success and terrible waste and lost beauty that veers from Memphis to Las Vegas and all the way to the broken backstreets of London.” —Tony Parsons, author of *The Hanging Club*

**Ann-Margret** Ann-Margret, Todd Gold, 1995-02-01

*Elvis Presley* Joel Williamson, Donald Lewis Shaw, 2015 An eminent Southern biographer interprets one of the most famous Southern icons of popular culture.

*Elvis by the Presleys* Priscilla Presley, Lisa Marie Presley, 2020-02-18 An intimate account of legendary entertainer Elvis Presley, featuring stunning photography and exclusive stories from Priscilla Presley, Lisa Marie Presley, and more Behind the King of Rock and Roll was a husband, father, son, cousin, friend, and spiritual seeker. In *Elvis by the Presleys*, those who knew him best come together to memorialize our greatest star, featuring hours of exclusive family interviews, Elvis quotes, and private family photographs and images of personal memorabilia from the archives of Graceland/Elvis Presley Enterprises. *Elvis by the Presleys* reveals life at Graceland like never before. Graceland is seen as a teeming family retreat, where the kitchen was the center of operations; where tag football games were played in the yard; where folks drove golf carts up and down the hills; and where Elvis spent many of his happiest times. We witness the arc of his love affair with Priscilla; Elvis as a father to his adored Lisa Marie; his obsessions and passions; and the strength of his musical legacy, which continues unabated to this day. There are Christmas cards here, too; contracts and invoices; selections from Lisa Marie's childhood scrapbook; and even a picture of the champagne bottle (signed) from Elvis and Priscilla's wedding. *Elvis by the Presleys* is the tumultuous story of the life of a lovely yet complex man; a portrait of the career of a brilliantly accomplished yet often frustrated artist; an insider's tale of enduring love, related with warmth and unguarded candor . . . and a story told the way only a family can tell it.

*Being Elvis: A Lonely Life* Ray Connolly, 2017-03-21 A “sympathetic and exceptionally well-written account” (USA Today), Ray Connolly's biography of the King soars with “spontaneity and electricity” (Preston Lauterbach). Elvis Presley is a giant figure in American popular culture, a man whose talent and fame were matched only by his later excesses and tragic end. A godlike entity in the history of rock and roll, this twentieth-century icon with a dazzling voice blended gospel and traditionally black rhythm and blues with country to create a completely new kind of music and new way of expressing male sexuality, which simply blew the doors off a staid and repressed 1950s America. In *Being Elvis* veteran rock journalist Ray Connolly takes a fresh look at the career of the world's most loved singer, placing him, forty years after his death, not exhaustively in

the garish neon lights of Las Vegas but back in his mid-twentieth-century, distinctly southern world. For new and seasoned fans alike, Connolly, who interviewed Elvis in 1969, re-creates a man who sprang from poverty in Tupelo, Mississippi, to unprecedented overnight fame, eclipsing Frank Sinatra and then inspiring the Beatles along the way. Juxtaposing the music, the songs, and the incendiary live concerts with a personal life that would later careen wildly out of control, Connolly demonstrates that Elvis's amphetamine use began as early as his touring days of hysteria in the late 1950s, and that the financial needs that drove him in the beginning would return to plague him at the very end. With a narrative informed by interviews over many years with John Lennon, Bob Dylan, B. B. King, Sam Phillips, and Roy Orbison, among many others, Connolly creates one of the most nuanced and mature portraits of this cultural phenomenon to date. What distinguishes *Being Elvis* beyond the narrative itself is Connolly's more subtle examinations of white poverty, class aspirations, and the prison that is extreme fame. As we reach the end of this poignant account, Elvis's death at forty-two takes on the hue of a profoundly American tragedy. The creator of an American sound that resonates today, Elvis remains frozen in time, an enduring American icon who could "seamlessly soar into a falsetto of pleading and yearning" and capture an inner emotion, perhaps of eternal yearning, to which all of us can still relate. Intimate and unsparing, *Being Elvis* explores the extravagance and irrationality inherent in the Elvis mythology, ultimately offering a thoughtful celebration of an immortal life.

**Memphis Mafia Princess** Shirley Dieu, 2017-05-19 Back in the 1970s, Las Vegas was a playground, not only for the rich and famous, but for anyone with big dreams. Beneath its public glamour and glitz was the private monarchy of Elvis Presley. Most people could only imagine what it was like to be a part of Elvis's world back then, but I lived it. I have written this book without bias or self-proclamation so that I may share the story of what was with those of you who loved him then and those of you who still love and respect him today.

**Careless Love** Peter Guralnick, 2012-12-20 Hailed as a masterwork by the Wall Street Journal, *Careless Love* is the full, true, and mesmerizing story of Elvis Presley's last two decades, in the long-awaited second volume of Peter Guralnick's masterful two-part biography. Winner of the Ralph J. Gleason Music Book Award *Last Train to Memphis*, the first part of Guralnick's two-volume life of Elvis Presley, was acclaimed by the New York Times as a triumph of biographical art. This concluding volume recounts the second half of Elvis' life in rich and previously unimagined detail, and confirms Guralnick's status as one of the great biographers of our time. Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977, *Careless Love* chronicles the unravelling of the dream that once shone so brightly, homing in on the complex playing-out of Elvis' relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking revelatory drama that for the first time places the events of a too-often mistold tale in a fresh, believable, and understandable context. Elvis' changes during these years form a tragic mystery that *Careless Love* unlocks for the first time. This is the quintessential American story, encompassing elements of race, class, wealth, sex, music, religion, and personal

transformation. Written with grace, sensitivity, and passion, *Careless Love* is a unique contribution to our understanding of American popular culture and the nature of success, giving us true insight at last into one of the most misunderstood public figures of our times.

*Dewey and Elvis* Louis Cantor, 2010-10-01 Beginning in 1949, while Elvis Presley and Sun Records were still virtually unknown--and two full years before Alan Freed famously discovered rock 'n' roll--Dewey Phillips brought the budding new music to the Memphis airwaves by playing Howlin' Wolf, B. B. King, and Muddy Waters on his nightly radio show *Red, Hot and Blue*. The mid-South's most popular white deejay, Daddy-O-Dewey soon became part of rock 'n' roll history for being the first major disc jockey to play Elvis Presley and, subsequently, to conduct the first live, on-air interview with the singer. Louis Cantor illuminates Phillips's role in turning a huge white audience on to previously forbidden race music. Phillips's zeal for rhythm and blues legitimized the sound and set the stage for both Elvis's subsequent success and the rock 'n' roll revolution of the 1950s. Using personal interviews, documentary sources, and oral history collections, Cantor presents a personal view of the disc jockey while restoring Phillips's place as an essential figure in rock 'n' roll history.

*A Little Thing Called Life* Linda Thompson, 2016-08-23 Award-winning songwriter Linda Thompson breaks her silence, sharing the extraordinary story of her life, career, and epic romances with two of the most celebrated, yet enigmatic, modern American superstars—Elvis Presley and Bruce Jenner For the last forty years, award-winning songwriter Linda Thompson has quietly led one of the most remarkable lives in show business. The longtime live-in love of Elvis Presley, Linda first emerged into the limelight during the 1970s when the former beauty pageant queen caught the eye of the King. Their chance late-night encounter at a movie theater was the stuff of legend, and it marked the beginning of a whirlwind that would stretch across decades, leading to a marriage with Bruce Jenner, motherhood, and more drama than she ever could have imagined. Now, for the first time, Linda opens up about it all, telling the full story of her life, loves, and everything in between. From her humble beginnings in Memphis to her nearly five-year relationship with Elvis, she offers an intimate window into their life together, describing how their Southern roots fueled and sustained Graceland's greatest romance. Going inside their wild stories and tender moments, she paints a portrait of life with the King, as raucous as it is refreshing. But despite the joy they shared, life with Elvis also had darkness, and her account also presents an unsparing look at Elvis's twin demons—drug abuse and infidelity—forces he battled throughout their time together that would eventually end their relationship just eight months before his untimely death. It was in the difficult aftermath of Elvis's death that Linda found what she believed was her true home: the arms of Olympic gold medal—winner Bruce Jenner. Detailing her marriage to Bruce, Linda reveals the seemingly perfect life that they built with their two young sons—Brandon and Brody—before Bruce changed everything with a secret he'd been carrying his entire life, a secret that Linda herself kept for nearly thirty years, a secret that Bruce's transition to Caitlyn Jenner has finally laid bare for the world. Providing a candid look inside one of the most challenging

moments of her life, Linda uncovers the struggles she went through as a woman and a mother, coming to terms with the reality of Bruce's identity and resolving to embrace him completely no matter what, even as it meant they could no longer be together. And yet, despite her marriage unraveling, her search for love was not over, eventually leading her to the legendary music producer and musician David Foster—a relationship that lasted for nineteen tumultuous years, resulting in a bond that spurred her songwriting career to new heights but also tested her like never before. Filled with compelling and poignant stories and sixteen pages of photographs, *A Little Thing Called Life* lovingly recounts Linda's incredible journey through the years, bringing unparalleled insight into three legendary figures.

*Me and a Guy Named Elvis* Jerry Schilling, Chuck Crisafulli, 2006 On a lazy summer Sunday in Memphis in 1954, twelve-year-old Jerry Schilling wandered into a pickup football game in a local park, little realizing that his life was about to change forever. The quarterback that day was a charismatic seventeen-year-old whose first recording, *That's All Right*, had debuted earlier that week and was burning up the local airwaves - Elvis Presley. Elvis and Jerry would strike up a friendship that would grow over the many weekly football games that followed, even as Elvis became the world's biggest star. Jerry soon became a regular at Elvis's raucous all-night parties at Graceland, and after he graduated from college in 1964, Elvis asked him to join his Memphis Mafia entourage in Hollywood. Over the next thirteen years Jerry would work for Elvis in various capacities - from bodyguard to photo double to personal trainer to co-executive producer on a karate film. But more than anything else he was Elvis's close friend and confidant. Jerry had rooms in Elvis's Bel Air mansion and at Graceland, and became the envoy between Elvis and Colonel Parker when Elvis was performing in Las Vegas. Elvis trusted Jerry with protecting his life when he received death threats, he had Jerry drive him and Priscilla to the hospital the day Lisa Marie was born, and he asked Jerry to accompany him on his famous lost weekend trip to meet President Nixon at the White House. *Me and a Guy Named Elvis* looks at Elvis from the unique perspective of a close friend, presenting the man rather than the icon. The Elvis Presley Jerry Schilling knew was fiercely intelligent and passionate about his art, a loving and generous man at home with his family and friends, and a fiery and determined spiritual seeker who became a master of martial arts and a self-taught student of philosophy. Jerry reveals Elvis as a relentless prankster and fun-loving man who never truly grew up. He does not shy away from the darker side of Elvis's life, and offers an account of the career frustrations that led to Elvis's abuse of prescription medications that precipitated his early, tragic death.--BOOK JACKET.

**Elvis and Ireland** Ivor Casey, 2013 *Elvis and Ireland* is the Irish Biography of Elvis Presley. It is the detailed story of Elvis Presley's life and career, combined with a timeline of events in Irish popular culture and the social changes brought on by his unique brand of rock 'n' roll. What you will find here is just about everything to do with Elvis and his links with Ireland including anecdotes, entertaining trivia on Elvis's connection with Ireland, his Irish chart successes, as well as areas of censorship. You will also learn about Irish songs he covered and Irish singers who covered his work. Find out what many

Irish personalities have to say about Elvis, as well as what was said about the star from the Dail (Irish Government) to the pulpit. *Elvis and Ireland* focuses on how Irish artists used Elvis and American popular culture for their own artistic efforts, from Ireland's earliest showbands and beat-groups to the rock legends Rory Gallagher, Phil Lynott and Bono. It covers several decades of Irish popular music without ever losing track of Elvis's story. In brief this book is a view of Elvis Presley through Irish eyes. *Elvis and Ireland* brings together the story of the global superstar from his birth to his untimely death, picking up the Irish connections along the way. To add a further Irish dimension, the book also features artwork of Elvis by three famous Irish artists. Hundreds of Elvis books already exist but rarely does a new Elvis book have something to say from a totally different cultural stand point. All music fans, and not just the Irish ones, will find this an exhilarating journey through the career of the universal music icon.

*Me and a Guy Named Elvis* Jerry Schilling, Chuck Crisafulli, 2007-07-19 On a lazy Sunday in 1954, twelve-year-old Jerry Schilling wandered into a Memphis touch football game, only to discover that his team was quarterbacked by a nineteen-year-old Elvis Presley, the local teenager whose first record, *That's All Right*, had just debuted on Memphis radio. The two became fast friends, even as Elvis turned into the world's biggest star. In 1964, Elvis invited Jerry to work for him as part of his Memphis Mafia, and Jerry soon found himself living with Elvis full-time in a Bel Air mansion and, later, in his own room at Graceland. Over the next thirteen years Jerry would work for Elvis in various capacities — from bodyguard to photo double to co-executive producer on a karate film. But more than anything else he was Elvis's close friend and confidant: Elvis trusted Jerry with protecting his life when he received death threats, he asked Jerry to drive him and Priscilla to the hospital the day Lisa Marie was born and to accompany him during the famous lost weekend when he traveled to meet President Nixon at the White House. *Me and a Guy Named Elvis* looks at Presley from a friend's perspective, offering readers the man rather than the icon — including insights into the creative frustrations that lead to Elvis's abuse of prescription medicine and his tragic death. Jerry offers never-before-told stories about life inside Elvis's inner circle and an emotional recounting of the great times, hard times, and unique times he and Elvis shared. These vivid memories will be priceless to Elvis's millions of fans, and the compelling story will fascinate an even wider audience.

**Elvis and Kathy** Kathy Westmoreland, William G. Quinn, 1987

*Understanding Elvis* Susan M. Doll, 2016-12-05 Although the importance of Elvis Presley's Southern heritage has long been recognized, few have considered the complex connection between the performer's career and his Southern roots. This study investigates how that identity affected each stage of Presley's career. Elvis Presley's career can be divided into three phases, each of which is signified by a specific image. Each image is coded by a certain style of music, mode of dress, and arena of performance. The evolution from one career phase to another was instigated by a specific event and represented a deliberate calculation on the part of Presley's manager to attract a wider audience. The first stage spans the years 1956

through 1958, after the singer was introduced to a national audience and before he was drafted into the army. His image as a notorious rock 'n' roller created a national controversy and was spurred by negative depictions of Presley in the media—many attributing his controversial performing style and appearance to his Southern background. His music was a fusion of rhythm and blues and country-western; or, two types of music indigenous to the South and foreign to the mainstream entertainment industry based in New York City. The second phase of Elvis' career included his stint as a movie star, in which most aspects of his Southern identity were extracted from his leading man image to enhance his appeal to the mainstream. And, finally, the last stage of his career focused on his image as a Las Vegas performer. Despite the gaudy costumes, Elvis reconnected to his identity as a Southerner in the 1970s by returning to country music and songwriters as a source of inspiration.

**Elvis Aaron Presley** Alanna Nash, Billy Smith, Marty Lacker, Lamar Fike, 1995 The first fully realized portrait of Elvis Presley, based on the recollections of the three men closest to him -- including his first cousin, who has never before spoken on the record -- and written, finally, to set the record straight.

**Elvis Forever** Boze Hadleigh, 2021-09-16 Is Elvis the most charismatic star ever? What else accounts for his continuing global appeal and media presence, his allure to music lovers of all ages and to fans whose pilgrimages to Graceland make it the most-visited private residence in the USA? Presley's estate now earns more annually than when Elvis was alive. He died at 42, close on half a century ago, but new generations keep discovering him. He rocks and rolls on and on, not necessarily as a movie star—he was the first to dismiss his 31-film output—but as the top-selling singer in history, a pop-culture icon, an ageless sex symbol and a mythic figure who inspires intense, even fanatical devotion (e.g., the First Presbyterian Church of Elvis the Divine). When Elvis died there were some 170 Elvis imitators. A quarter-century later there were an estimated 85,000 Elvis tribute artists, including a popular Chinese Elvis in London and a gay Mexican American, El Vez, whose re-tooled song performances include *You Ain't Nothin' But a Chihuahua*. There are even Elvis performances in heaven—some years ago two groups of skydiving impersonators, the Flying Elvises and the Flying Elvis, sued each other in federal court. *Elvis Forever* offers possibly the most revealing and rounded close-up look yet at the King. The frank, often bold, sometimes shocking or surprising quotes from insiders and outsiders, peers, costars, friends, employees and famous fans took over two decades to collect and cover every phase of the life and legacy of the magnetic man from Memphis.

**Don't Mind If I Do** George Hamilton, William Stadiem, 2008-10-14 The witty and entertaining New York Times bestselling memoir from the urbane and ultra-tanned icon himself—George Hamilton. Don't let that tanned, handsome, charming surface fool you. Beneath the bronzed façade is a mischievous mind with a wicked wit. George Hamilton doesn't miss a thing. With a front row seat for classic Hollywood's biggest secrets and scandals, George has the intelligence, heart, and unflappable spirit to tell his story, and the story of Tinseltown's heyday, with great good humor and delicious candor—as only he can. From *Where the Boys Are* to *Dancing with the Stars*; from Mary Pickford to Elizabeth Taylor; from smalltown

Arkansas to the capitals of Europe—it's all here, and George has lived to tell and to laugh about it. As the child of a Dartmouth-educated bandleader father and a glamorous Southern debutante mother whose marriage crumbled early on, George had a childhood filled with misadventures and challenges that his mother always seemed able to turn from tragedy to comedy. Her idea of changing the family's fortunes involved a trip cross-country with three sons and a poodle in a Lincoln Continental, making stops along the way to search for husband/father number three. And she was quick to recognize that George's potential success lay in Hollywood. George starved nobly for his art in the late 1950s, but was soon starring in major motion pictures directed by the likes of Vincente Minnelli and Louis Malle. He has forgotten more about Hollywood than most movie experts will ever know and shares intimate and hugely entertaining stories of his friendships with Cary Grant; Brigitte Bardot; Robert Mitchum; Merle Oberon; Mae West; Sammy Davis, Jr.; and Judy Garland—not to mention Lyndon B. Johnson and Elvis's Colonel Tom Parker as well as the King himself—among others. The world is Hamilton's oyster, and this ultimate insider is ready to share it with us. So fasten your seat belt. We'll tell you when it's safe to move about the cabin again.

The King Is Dead Robert R. Holton, 2004-09

Private Presley Andreas Schroer, 2002-08-06 A comprehensive examination of Elvis Presley's years in Germany as an American GI—with hundreds of never-before-seen photographs and revelations from Elvis intimates.—Book jacket front flap.

Is Elvis Alive? Gail Brewer-Giorgio, 1988

Elvis Presley's Love Me Tender Elvis Presley, 2017-11-14 The king of rock-and-roll's #1 hit song Love Me Tender is now an endearing picture book Adapted from the unforgettable classic song, Elvis Presley's Love Me Tender is a heartwarming ode to the special bond between children and the adults who love and care for them—be they parents, grandparents, adoptive parents, aunts, uncles, or guardians. With its simple, timeless message, Elvis Presley's Love Me Tender is destined to join Guess How Much I Love You as a baby shower staple. And the sweet, inclusive illustrations make it a book every family will treasure all through the years, 'till the end of time.

Scary Monsters Mark Duffett, Jon Hackett, 2021-01-14 Popular music and masculinity have rarely been examined through the lens of research into monstrosity. The discourses associated with rock and pop, however, actually include more 'monsters' than might at first be imagined. Attention to such individuals and cultures can say things about the operation of genre and gender, myth and meaning. Indeed, monstrosity has recently become a growing focus of cultural theory. This is in part because monsters raise shared concerns about transgression, subjectivity, agency, and community. Attention to monstrosity evokes both the spectre of projection (which invokes familial trauma and psychoanalysis) and shared anxieties (that in turn reflect ideologies and beliefs). By pursuing a series of insightful case studies, Scary Monsters considers different aspects of the connection between music, gender and monstrosity. Its argument is that attention to monstrosity provides a

unique perspective on the study of masculinity in popular music culture.

**Infinite Elvis** Mary Hancock Hinds,2001 Here, for the first time anywhere, is a precise measurement of a celebrity's impact on American culture. This annotated, highly readable listing details the verified book titles, magazines, dissertations, and significant articles about Elvis Presley. The entries show that Elvis was more than just a popular-culture phenomenon. Besides documentation of his concerts, the food he ate, and posthumous Elvis sightings, here is the proof of Elvis's impact on every aspect of American life: his invention of rock 'n' roll; his spurring of the sexual revolution; his influence on the civil rights movement; how his death changed the media's treatment of celebrities; and how a new religion devoted to Elvis has become part of the mainstream.

**Elvis June Juanico**,1997 June Juanico recounts her romance with Elvis Presley in Biloxi, Mississippi, in the summer of 1955.

**If I Can Dream** Larry Geller,Joel Spector,Patricia Romanowski,1990 A long-time confidante of Elvis Presley reveals intimate details of the legendary performer's dreams and disillusionments, showing his disintegration due to drugs and the harm he inflicted on himself

**Elvis Safe and Sound** Dick Grob,2017-08

**Elvis Hits** Elvis Presley,1998-08 (Big Note Personality). 20 Presley pleasers: All Shook Up \* Are You Lonesome Tonight? \* Blue Suede Shoes \* A Fool Such as I \* Heartbreak Hotel \* Love Me \* My Way \* Too Much \* Treat Me Nice \* The Wonder of You \* Wooden Heart \* more.

**Elvis, what Happened?** Steve Dunleavy,Red West,Sonny West,Dave Hebler,1977

*Elvis by the Presleys* Priscilla Beaulieu Presley,Lisa Marie Presley,2005 Family photos, reminiscences, and still-life photography of Elvis's possessions.

*This Day in Music* Neil Cossar,2014-08 Births, deaths and marriages, No1 singles, drug busts and arrests, famous gigs and awards... all these and much more appear in this fascinating 50 year almanac.Using a page for every day of the calendar year, the author records a variety of rock and pop events that took place on a given day of the month across the years.This Day in Music is fully illustrated with hundreds of pictures, cuttings and album covers, making this the must-have book for any pop music fan.

**Elvis in His Own Words** Elvis Presley,Mick Farren,Pearce Marchbank,1977 Gives the reader personal insight into the music and world of Elvis. Fully illustrated throughout.

**The Colonel** Alanna Nash,2014-06-01 Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music: Elvis Presley. His real name wasn't Tom Parker - indeed, he wasn't an American at all, but a Dutch immigrant called Andreas van Kujik. And he certainly wasn't a proper military

colonel: he purchased his title from a man in Louisiana. But while the Colonel has long been acknowledged as something of a charlatan, this book is the first to reveal the extraordinary extent of the secrets he concealed, and the consequences for the career, and ultimately the life, of the star he managed. As Alanna Nash's prodigious research has discovered, the Colonel left Holland most probably because, at the age of twenty, he bludgeoned a woman to death. Entering the US illegally, he then enlisted in the army as "Tom Parker". But, with supreme irony for someone later styling himself as Colonel, Parker's military career ended in desertion, and discharge after a psychiatrist had certified him as a psychopath. He then became a fairground barker, working sideshows with a zeal for small-scale huckstering and the casual scam that never left him. And by the height of Elvis's success, Parker had become a pathological gambler who, at the same time as he was taking, amazingly, a full 50% of Presley's earnings, frittered away all his wealth in the casinos of Las Vegas. As Nash shows, therefore, the often baffling trajectory of Elvis Presley's career makes perfect sense once the secret imperatives of the Colonel's life are known. Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there. Even at his most famous, Elvis was still being booked to play out-of-the-way towns in North Carolina because the former fairground barker (who shamelessly negotiated as such even with top record company and film executives) knew them from his days on the circus circuit. And Elvis was trapped playing years of arduous seasons in Las Vegas two shows nightly, seven days a week, until boredom and despair brought on the excessive drug use that killed him because for Parker he was an open cheat whose huge earnings prevented his manager's losses at the gambling tables being called in. Alanna Nash knew Parker towards the end of his life, and has now uncovered the whole story, improbable, shocking, and never less than compelling, of how this larger-than-life man made, and then unmade, popular music's first and greatest superstar.

**Child Bride** Suzanne Finstad, 2011-04-20 The myth-shattering account of the most famous—and most taboo—marriage in rock-and-roll history "Fascinating . . . Finstad's research and her analysis of Priscilla's complex character make for a riveting read."—New York Post The real story [of Elvis and Priscilla] is infinitely more powerful than the myth and, ultimately, tragic; the true Priscilla more complex. Priscilla Beaulieu Presley is not, and never was, the fragile, demure child-woman she has come to personify; she is, in a word, a survivor, a woman of indomitable will and almost frightening determination.—from the Author's Note Child Bride reveals the hidden story of rock icon Elvis Presley's affair with fourteen-year-old Priscilla Beaulieu, the ninth-grader he wooed as a G.I. in Germany and cloistered at Graceland before marrying her to fulfill a promise to her starstruck parents. But who is Priscilla—and what was her role in their infamous relationship? Award-winning biographer Suzanne Finstad perceptively pieces together the clues from candid interviews with all the Presley intimates—including Priscilla herself, along with hundreds of sources who have never before spoken publicly—to uncover the truth behind the legend of Elvis and Priscilla, a tumultuous tale of sexual attraction and obsession, heartbreak and loss. Child Bride, the

definitive biography of Priscilla Beaulieu Presley, unveils the controversial woman who evolved from a lonely teenager bound to the King of Rock and Roll into a shrewd businesswoman in control of the multimillion-dollar Elvis Presley empire—a rags-to-riches saga of secrets, lies, and betrayal.

The Elvis Book Elvis Presley, 2001-10 (Easy Guitar). 100 songs from The King's career, all arranged for easy guitar without tab.
