Michael Jackson Shawn Henning, 2009-09-29 As fans of entertainers our voice is often overlooked. We are passed off as simple fans who really don't know too much. The media, with all their experts, reports, opinions, and speculations are often times not the truth. For the first time the fans of Michael Jackson will speak out. False reports and rumors are exposed in this book and the Author provides an in-depth look at the media theories and speculations. The fans finally have a book that expresses what they know to be the truth about The Icon of Music Michael Jackson. The Author takes you through Michael Jackson's life from the viewpoint of a fan. Backed by intense research and interview from noted film-maker and defense witness for Michael Jackson Larry Nimmer who also wrote this about the book. You've done excellent research and there were some things that I learned that I didn't know. It was interesting what you had to say about the accusers and about his dad, Joe Jackson. I liked your comparison that Americans will sleep with animals in their bed but they are not accused of bestiality... good comparison... You've presented a convincing story about people who fabricated stories for personal gain, including the media, at the expense of Michael Jackson... great job and very interesting. Larry Nimmer

Michael Jackson FAQ Kit O'Toole,2015-10-01 (FAQ). Michael Jackson may be the King of Pop, but his influence extends much further. From his childhood years with the Jackson 5 through his astonishing solo career, he consistently broke sales records, pioneered the modern music video, and infused dance into rock and pop. While his life story has been well chronicled, *Michael Jackson FAQ* explores the stories behind his achievements. Did he play any instruments? How much of his own music did he compose? Who were his greatest influences in both music and dance? His art is his legacy, and *Michael Jackson FAQ* takes an in-depth look at Jackson's work with the Jackson 5 and the Jacksons in addition to his solo catalog. Learn why current artists such as Justin Timberlake, Lady Gaga, Justin Bieber, and countless boy bands still emulate his sound, look, and showmanship. Questions are tackled such as whether *Off the Wall* or *Thriller* better stands the test of time. From his childhood in Gary, Indiana, through the posthumous albums, this book covers lesser-known but important stories such as how Jackson influenced disco and hip-hop, how his singing style transitioned from childhood to adulthood, and how he learned to moonwalk.

Michael Jackson Shawn Henning,2010-06 Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, he's collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures ndash; all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michael's career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book... from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning... you've done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer
