Kingdom Come Jane Jensen,2016-01-05 Amish country in Lancaster County, Pennsylvania, has always been a place of quiet beauty—until a shocking murder shatters the peace, and leaves a troubled detective picking up the pieces... After her husband is murdered, Detective Elizabeth Harris turns in her NYPD badge and moves back home, hoping that a quiet life in remote Pennsylvania Dutch country will help her overcome the dark memories of her ten years in New York. But when a beautiful, scantily clad “English” girl is found dead in the barn of a prominent Amish family, Elizabeth knows that she’s uncovered an evil that could shake the community to its core. Elizabeth’s boss is convinced this was the work of an “English,” as outsiders are called in Lancaster County. But Elizabeth isn’t so sure. All she’s missing is an actual lead—until another body is found: this time, a missing Amish girl. Now Elizabeth must track down a killer with deep ties to a community that always protects its own—no matter how deadly the cost...

In the Land of Milk and Honey Jane Jensen,2016-08-02 With its peaceful, hardworking Amish population, Lancaster County, Pennsylvania, is a rural paradise. But former NYPD homicide detective Elizabeth Harris knows that evil lurks there—it’s just easier to hide... By solving the murders of two local girls, Elizabeth has gained some trust in the Amish

community. So, she's the first person its members turn to when a fast and fatal illness takes hold, though many believe that the sickness stems from a hexerei—a curse placed by a practitioner of old-world folk magic. Elizabeth doesn't believe in curses, and when an entire Amish family is found dead, she begins to suspect something far more sinister... As the CDC is called in to investigate, customers of a Philadelphia farmers market selling Amish raw milk start dying. Amid rapidly escalating panic, Elizabeth must peel away layers of superstition and fear to save the livelihood—and lives—of an entire community. Because what has happened isn't an accident of nature or an act of God, it's the handiwork of someone who has only just begun to kill...

War Depression War Gerard Charles Wilson,2021-06-12 The history of a nation through the lives of ordinary Australians whose beginnings were in a penal colony. In 1901, the author's great-grandparents, James Patrick and Mary Jane Wilson, moved from rural Tallawang near Gulgong to the fledgling suburb of Chatswood on Sydney's North Shore. Accompanying them were Bert (the author's grandfather), Bert's sister Elizabeth and his younger brother Leo. Older brother Percy followed later. Bert, Percy and older brother Tom began a business, building houses from Chatswood through to Hornsby on Sydney's northern border. The breakout of the First World War saw dramatic changes. Rowland Wilson, Bert's nephew, enlisted only to be engaged shortly after his arrival in France in one of the bloodiest battles of the War - the battle over Pozieres. His remains are mingled with the mud and dirt of Pozieres' farmlands. Leo, Rowland's uncle, followed a year later. The author gives an account of their terrible experiences. On the author's mother's side, it was his grandfather Steele's

brother, Percy Steele, who endured the same frightening ordeal, carrying a lifelong war wound. Australians were hardly over the War when the Depression struck, causing many builders to lose their businesses. The Wilsons hung on by the skin of their teeth, improvising as best they could, while the Steeles, always with work with the New South Wales Railways in clerical positions, did much better. The author provides an engaging account of his parents' upbringing before they met at Chatswood in 1938. They were from very different backgrounds. The class difference would cause them heartache. The Second World War intervened. His father was a leading sick berth attendant on HMAS SYDNEY during the great cruiser battles in the Mediterranean. It was a deadly period, but the SYDNEY survived and returned to Australia where his parents were married in 1941. Tension was never far away between his father and his mother's parents. Among all these happenings were much drama and excitement. The book ends with the author's father building their first house at Lane Cove, a suburb adjacent to Chatswood. Book 3, ME AND PETE, covering the author's early childhood, was released in 2020.

Invisible Jacqueline Leckie,2021-08-12 Despite our mythology of benign race relations, Aotearoa New Zealand has a long history of underlying prejudice and racism. The experiences of Indian migrants and their descendants, either historically or today, are still poorly documented and most writing has focused on celebration and integration. Invisible speaks of survival and the real impacts racism has on the lives of Indian New Zealanders. It uncovers a story of exclusion that has rendered Kiwi-Indians invisible in the historical narratives of the nation.
